ABOUT US

Homeland Industrial Supply is a certified small disadvantaged, woman-owned distributor of specialized chemicals and industrial supplies. We are committed to customer satisfaction based on understanding our customers' requirements and providing the most effective, safe, and environmentally responsible products on the market. Our sound business practices ensure prompt deliveries, quality controls, and contract compliance.

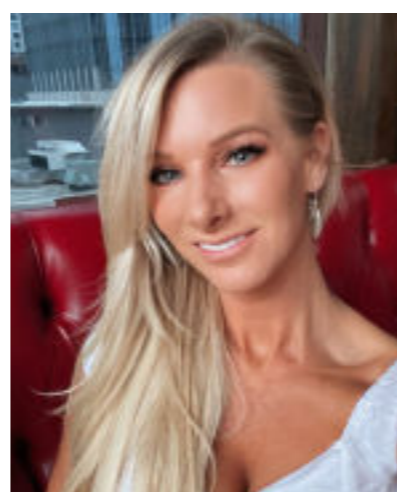

Donna King
President, CEO

Donna has successfully worked in the industrial supply industry for over 20 years in both sales and leadership position. Her product knowledge and understanding of specific applications ensures she always puts our customer needs first. As the owner of Homeland, she is now committed to creating a culture where an exceptional customer experience is at the core of everything we do.

Patrick King
Chief Operations Officer

Patrick has been in executive leadership positions with a variety of companies over the last 20 years, and brings a wealth of experience in sales, marketing, and distribution strategies. He, like Donna, is passionate about creating a culture at Homeland Industrial Supply that benefits customers, employees, vendor partners, and the communities we serve.

Sara Turner
District Account Manager Aggregate/Concrete

As an industry veteran, Sara has acquired over 15 years of experience in chemical sales, specializing in Industrial markets. Her expertise in aggregates and national account sales has contributed to new product development and growing the industrial segment within Homeland Industrial Supply. As a Regional Manager, Sara has contributed to the growth of the South East region by onboarding national accounts and sharing her skills and experiences with our growing team.
