ABOUT US

Homeland Industrial Supply is a certified small disadvantaged, woman-owned distributor of specialized chemicals and industrial supplies. We are committed to customer satisfaction based on understanding our customers' requirements and providing the most effective, safe, and environmentally responsible products on the market. Our sound business practices ensure prompt deliveries, quality controls, and contract compliance.

Donna King
President, CEO

Donna has successfully worked in the industrial supply industry for over 20 years in both sales and leadership position. Her product knowledge and understanding of specific applications ensures she always puts our customer needs first. As the owner of Homeland, she is now committed to creating a culture where an exceptional customer experience is at the core of everything we do.

Patrick King
Chief Operations Officer

Patrick has been in executive leadership positions with a variety of companies over the last 20 years, and brings a wealth of experience in sales, marketing, and distribution strategies. He, like Donna, is passionate about creating a culture at Homeland Industrial Supply that benefits customers, employees, vendor partners, and the communities we serve.

OUR MISSION

Homeland Industrial Supply is committed to serving the needs of our customers with the most effective, safe, and environmentally responsible products on the market today. We are passionate about creating partnerships that bring value to our customer, suppliers, and the communities we serve.
