

G-FORCE is a natural citrus base product designed to clear clogged drain lines. The high pressure spray through the 18" tube permits quick penetration directly to the source of the problem. Immediately begins to dissolve algae, slime, hair and organic matter.

DIRECTIONS: Attach the 18" tube to the spray nozzle. Direct tube down drain or the condensate drain from the evaporator positioning tube opening as close to the clog as possible. Spray liberally. Allow ample time for product to penetrate and break down clog. Spray drain to flush. Re-apply product periodically to maintain and keep the drain free flowing. **NOTE:** TO PROTECT AGAINST BACK SPLASH WEAR EYE PROTECTION.

MODO DE EMPLEO: Conecte el tubo de 18" a la boquilla. Direccione el tubo por el drenaje o el drenaje de condensado desde la abertura del tubo del evaporador hasta los más cerca posible a la obstrucción. Rocíe liberadamente. Deje suficiente tiempo para que el producto penetre y rompa la obstrucción. Rocíe el drenaje para enjuagar. Vuelva a aplicar periódicamente para mantener el drenaje fluyendo libre. **NOTA:** PARA PROTEGERSE CONTRA SALPICADURAS, USE PROTECCIÓN EN LOS OJOS.

DANGER: Extremely Flammable Aerosol. Contains gas under pressure; may explode if heated. Keep away from heat, sparks, open flames, and hot surfaces. -No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place.

PELIGRO: Aerosol Extremadamente Inflamable. Contiene gas a presión; puede explotar si se calienta. Mantenga lejos de calor, chispas, llamas abiertas, y superficies calientes. -No fumar. No pulverice en llamas abiertas u otra fuente de ignición. Envase presurizado: No perforo ni quemé, incluso después de usar. Proteja de la luz solar. No exponga a temperaturas que excedan 50°C/122°F. Almacene en un lugar bien-ventilada.

CONTAINS (CAS #): Methyl 9-Decenoate (25601-41-6), 1,8-p-Menthadiene (5989-27-5), Propane/n-Butane (68476-86-8), Nonionic Surfactant (127087-87-0), Carbon Dioxide(124-38-9).
